Alexandria, Virginia 22314

Sir:

The undersigned assignee of the applications identified on the attached **Appendix A** hereby revokes all previous Powers of Attorney and appoints the following attorneys with full power to prosecute the application, to make alterations and amendments therein, and to transact all business in the United States Patent Office connected therewith.

I hereby appoint the attorney(s) and/or agent(s) associated with Customer Number **34610** with full power of substitution and revocation, to prosecute the applications listed on **Appendix A** and to transact all business in the Patent and Trademark Office connected therewith, and all future correspondence should be addressed to them.

The undersigned hereby grants the firm of **KED & ASSOCIATES, LLP** the power to insert on this document any further identification that may be necessary or desirable in order to comply with the rules of any issuing authority, including the United States Patent and Trademark Office, for filing of this document.

CERTIFICATE UNDER 37 CFR §3.73(b)

LG Electronics Inc., a corporation of **Seoul, Korea**, certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of:

An Assignment from the inventor(s) of the patent application is identified on **Appendix A**. The assignment was recorded in the Patent and Trademark Office as shown on **Appendix A**.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

The undersigned further declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
